

The **LIVE & LOCAL** program at the **Burlington Performing Arts Centre** is an initiative that develops and promotes emerging artist talent through professional industry mentorship and live performance opportunities.

Successful applicants to the program will further expand their artistic practice through the LIVE & LOCAL mentorship program which offers **artistic development** through workshops lead by industry professionals and an opportunity to perform as a featured artist at one of BPAC's LIVE & LOCAL shows, held in the Community Studio Theatre at the Burlington Performing Arts Centre. Showcase performances are approximately 30 minutes in length. Technical support is provided.

Eligible applicants are local emerging artists who are working or developing their performing arts profession in the Burlington region. This program is open to applicants across performing arts disciplines.

BPAC's Live & Local series is generously sponsored by Daniel Durst of Desjardins Insurance.
